| (1) エ | (2) イ | (3) オ | (4) ケ | (5) ア |
| (6) キ | (7) ウ | (8) サ | (9) シ | (10) カ |

2

The moment I decided to change my life was when I failed an important test. I felt very sad and realized I was not studying enough. I decided to change my study habits and spend more time reviewing my lessons every day. I also started asking my teacher questions when I didn't understand something. This change helped me improve my grades and feel more confident. It taught me that hard work and good planning are important for success. (Total: 85 words)
