問7 イ

問8 ウ、エ

解答例

- (A) “Don’t put off until tomorrow what you can do today.”
- (B) Work is basically a competition, so if you work faster, you will be better.

別解 Business is basically competition. The more quickly you do things, the more advantage you will have.

- (C) I have been thinking “whatever I can do now, I should do it right now” since I was young.

(別解) I have always lived my life, ever since I was young, with the idea that what I can do now, I will do now.

- (D) “Why don’t you give yourself a little more time to enjoy your life?”
